counsel for the above-captioned debtors and debtors in possession (collectively, the “Debtors”) in their chapter 11 cases, hereby applies for an order allowing it (i) compensation in the amount of \$567,151.00 for the reasonable and necessary legal services K&E has rendered to the Debtors and (ii) reimbursement for the actual and necessary expenses that K&E incurred in the amount of \$77,487.86 (the “Application”), in each case for the period from May 1, 2001, through May 31, 2001 (the “Fee Period”). In support of this Application, K&E respectfully states as follows:

Retention of and Continuing Disinterestedness of Kirkland & Ellis

1. On April 2, 2001 (the “Petition Date”), the Debtors each filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code (collectively, the “Chapter 11 Cases”). On April 2, 2001, the Court entered an order procedurally consolidating the Chapter 11 Cases for administrative purposes only. Since the Petition Date, the Debtors have continued to operate their businesses and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On April 12, 2001, the office of the United States Trustee appointed (i) a committee of unsecured creditors in the Chapter 11 Cases (the “Creditors’ Committee”), (ii) a committee of asbestos personal injury claimants (the “Asbestos Personal Injury Committee”) and (iii) a committee of asbestos property damage claimants (the “Asbestos Property Damage Committee.”). On June 18, 2001, the office of the United States Trustee appointed a committee of equity security holders (the “Equity Security Holders’ Committee,” collectively with the Creditors’ Committee, the Asbestos Personal Injury Committee and the Asbestos Property Damage Committee, the “Committees”).

2. By this Court’s order dated May 3, 2001, the Debtors were authorized to retain K&E as their counsel, effective as of the Petition Date, with regard to the filing and prosecution of the

Chapter 11 Cases and all related matters (the “Retention Order”). The Retention Order authorizes the Debtors to compensate K&E at K&E’s hourly rates charged for services of this type and to be reimbursed for actual and necessary out-of-pocket expenses that it incurred, subject to application to this Court in accordance with the Bankruptcy Code, the Federal Rules of Bankruptcy Procedure, all applicable local rules and orders of this Court.

3. As disclosed in the following affidavits:
 - a. Affidavit of James H.M. Sprayregen in Support of Application for Order Under 11 U.S.C. § 327(a) and Fed. R. Bankr. P. 2014(a) Authorizing the Employment and Retention of Kirkland & Ellis as Attorneys for the Debtors and Debtors in Possession (the “Original Affidavit”), filed April 2, 2001;
 - b. First Supplemental Affidavit of James H.M. Sprayregen Under 11 U.S.C. § 327(a) and Fed. R. Bankr. P. 2014 (the “First Supplement”), filed April 17, 2001;
 - c. Second Supplemental Affidavit of James H.M. Sprayregen Under 11 U.S.C. § 327(a) and Fed. R. Bankr. P. 2014 (the “Second Supplement,” together with the First Supplement and the Original Affidavit, the “Affidavits”), filed May 2, 2001;

K&E does not hold or represent any interest adverse to the estates, and is a disinterested person as that term is defined in section 101(14) of the Bankruptcy Code as modified by section 1107(b) of the Bankruptcy Code.

4. K&E may have in the past represented, may currently represent, and likely in the future will represent parties-in-interest in connection with matters unrelated to the Debtors and the Chapter 11 Cases. K&E disclosed in the Affidavits its connections to parties-in-interest that it has been able to

ascertain using its reasonable efforts. K&E will update the Affidavits when necessary and when K&E becomes aware of material new information.

5. Kirkland & Ellis performed the services for which it is seeking compensation on behalf of or for the Debtors and their estates, and not on behalf of any committee, creditor or other person.

6. Except to the extent of the advance payment retainers paid to K&E as described in the Original Affidavit, K&E has received no payment and no promises for payment from any source for services rendered or to be rendered in any capacity whatsoever in connection with these cases.

7. Pursuant to Fed. R. Bank. P. 2016(b), K&E has not shared, nor has agreed to share, (a) any compensation it has received or may receive with another party or person other than with the partners, counsel and associates of K&E, or (b) any compensation another person or party has received or may receive in connection with the Chapter 11 Cases.

8. This is the second application for interim compensation for services rendered that K&E has filed with the Bankruptcy Court in connection with the Chapter 11 Cases. K&E has filed the following application for interim compensation:

Blended Rate: \$323.55

11. Kirkland & Ellis has advised and represented the Debtors in connection with the operation of their businesses and other matters arising in the performance of their duties as a debtors-in-possession. Furthermore, K&E has prepared various pleadings, motions and other papers submitted to this Court for consideration, has appeared before this Court during hearings regarding these cases and has performed various other professional services that are described in this Application.

12. The rates described above are K&E's hourly rates for services of this type. Attached as Exhibit A is a detailed itemization and description of the services that K&E rendered during the Fee Period. Based on these rates and the services performed by each individual, the reasonable value of such services is \$567,151.00. The K&E attorneys and paraprofessionals expended a total of 1,760.10 hours for these cases during the Fee Period. In accordance with the factors enumerated in section 330 of the Bankruptcy Code, the amount of fees requested is fair and reasonable given: (a) the complexity of these cases, (b) the time expended, (c) the nature and extent of the services rendered, (d) the value of such services, and (e) the costs of comparable services other than in a case under the Bankruptcy Code.

13. Further, Exhibit A (a) identifies the individuals that rendered services in each Subject Matter, as defined and described below, (b) describes each activity or service that each individual performed and (c) states the number of hours (in increments of one-tenth of an hour) spent by each individual providing the services. Each numbered tab in Exhibit A corresponds to the matter number that K&E assigned to each Subject Matter. If a Subject Matter does not appear, then K&E did not bill time or expenses for that Subject Matter during the Fee Period, but may bill time for that Subject Matter in the future.

Actual and Necessary Expenses

38. It is K&E's policy to charge its clients in all areas of practice for identifiable non-overhead expenses incurred in connection with the client's case that would not have been incurred except for representation of that particular client. It is K&E's policy to charge its clients only the amount actually incurred by K&E in connection with such items. Examples of such expenses are postage, overnight mail, courier delivery, transportation, overtime expenses, computer assisted legal research, photocopying, out-going facsimile transmissions, airfare, meals, and lodging. With respect to airfare expenses, all travel, by all individuals, is billed at the coach class rate with allowances for class upgrades.

39. Kirkland & Ellis charges: (a) \$0.10 per page for duplication and (b) \$0.75 per page for outgoing telecopier transmissions (plus related toll charges). Kirkland & Ellis does not charge its clients for incoming telecopier transmissions. K&E has negotiated a discounted rate for Westlaw computer assisted legal research, which is approximately \$125/hour of online use of the standard Westlaw databases. Computer assisted legal research is used whenever the researcher determines that using Westlaw is more cost effective than using traditional (non-computer-based legal research) techniques.

40. A summary of expenses by type, as well as a detailed itemization and description of the disbursements made by K&E on the Debtors' behalf during the Fee Period is attached hereto as Exhibit B. All of these disbursements comprise the requested sum for K&E's out-of-pocket expenses, totaling \$77,487.86. These disbursements are grouped in Exhibit B into the same numbered and titled

categories of Subject Matters as the fees are grouped in Exhibit A. The numbered tabs within Exhibit B correspond to the numbers assigned to the matters described in Paragraphs 15-37 herein. Any missing Subject Matters merely indicate that no expenses were attributed to such Subject Matters during the Fee Period, although expenses may be attributable to such Subject Matters in the future. A summary of expenses by category for the entire Fee Period is also set forth in Exhibit B.

Representations

41. K&E believes that the Application is in compliance with the requirements of Del.Bankr.LR 2016-2.

42. Although every effort has been made to include all fees and expenses from the Fee Period in the Application, some fees and expenses from the Fee Period might not be included in the Application due to accounting and processing delays. Kirkland & Ellis reserves the right to make further application to the Court for allowance of fees and expenses for the Fee Period not included herein.

43. In summary, by the Application, K&E requests compensation for fees and expenses in the total amount of \$644,638.86, consisting of (a) \$567,151.00 for reasonable and necessary professional services rendered and (b) \$77,487.86 for actual and necessary costs and expenses.

WHEREFORE, K&E respectfully requests (a) that an allowance be made to it, as fully described above for the (i) 80% of the reasonable and necessary professional services K&E has rendered to the Debtors during the Fee Period (\$567,151.00) and (ii) 100 % of the reimbursement of actual and necessary costs and expenses incurred by K&E during the Fee Period (\$77,487.86); (b) that both fees and expenses are payable as administrative expenses of the Debtors' estates; and (c) that this Court grant such further relief as is equitable and just.
